Zurich, November 9th, 1959

Dear Sir,

Being very much interested in the work of Messrs. Ramón Torres Martínez and Hector Velázquez Moreno we have written them the letter enclosed. Unfortunately their address is unknown to us, therefore we beg you to forward it.

It goes without saying that we shall be glad to reciprocate this courtesy if any opportunity to do so should present itself. Thanking you in advance for your kind assistance,

We remain, dear Sir,
Yours very truly
